It was late. He was tired and soaked. 007n7 had just gotten off of his night shift. His car had broken down weeks ago so he'd had been taking the bus. Of course it had to rain, and hard. He was drenched to the point he didn't even bother opening his umbrella.

Life had become so dull and bleak without c00lkidd. He didn't have the energy to do even simple tasks anymore. Get up, go to work, go home, go to bed, and repeat. That's all life was now, a pointless cycle. Time to go home and repeat i- what is that.

As he neared the bus stop he spotted a weird pink blob..? It looked like chewed up gum. It was also making weird whining noises. It reminded him of the day he found c00lkidd, sobbing in a box on his doorstep, when he was just a little baby. That only made him sadder. He approaches the abnormal lump of pink with caution.

"Uh... hi... are you... ok?" He asked slowly. The pink stain looked up at him with a sad expression. It looked like melted play dough with liquid magenta spewing from its eyes.

"NOOOOOOUOOOUOOOOO I HATE THY RAINNNNNNNN" it weeped. Oh my god that thing was loud.

"Um. I have an umbrella. If you want?" He felt oddly pitiful for it and took out the umbrella, opening it and handing it to the creature. It took it from his hand, their fingers briefly touching for a small agonizing moment. The texture of it was disgusting and slimy. He cringed back instantly, wiping his hand on his shirt.

"THANK YOY!!!" It exclaimed, fidgeting with the umbrella as it slipped in its gooey hands. "I AM THY BUBBLEGUM TROLL! WHO MIGHT YOY BE STRANGE THING??"

"I'm 007n7" he replied. Strange? He wasn't the strange one out of the two of them.

"THANK YOY FORE HELPING ME 007N7!" It yelled again.

"You're welcome..?" They sat in awkward silence for some long agonizing moments. "So... um... bubblegum troll... what are you doing out in the rain at such a time?" He inquired.

"AH... IT IS QUITE THY PRODUCKUMENT!"

"Predicament" He corrected.

"AHM ANYWHO... I WAS LOUKING FOR MATERIALS FOR MY NEXT PRANK AND SEEMS TO HAVE GOTTEN... LOST!" He explained.

"Where do you live?"

"THY CANDY KINGDOM!" Great. This guy was nuts.

"I don't know where that is, I can't help you, sorry..." The pink blob frowned.

“NO WORRY! I SHALL FIND MY WAY HOME MESELF!” It proclaimed “AFTER THIS PESKY RAIN STOPS! I HATE RAIN!!!” He said angrily.

“Why do you hate the rain?” He really hoped the bus would arrive soon.

“IT MAKES ME MELT” He noticed the puddle of liquid ooze around him.

“I’m sure it will stop soon..?” He tried to help.

“YES”

“Yeah...”

After several long agonizing minutes the bus finally arrived. He was quick to approach it. Just as he was about to get on, he heard the loud voice from behind him again.

“THANK YOY 007N7! YOUY ACT OF KINDNESS SHALL NEVER BE FORGOTTEN!!!”

“It was no problem” he replied back, mildly relieved this was over. The bus driver gave him a strange look as he entered and headed towards the back. He took his normal seat in the very far corner and stared out the window. He didn’t see the pink creature there when he looked. Odd. The bus drove away leaving him with just his thoughts. Just him, his thoughts, and the rain.
